

GUARANTOR STATEMENT OF FINANCIAL SUPPORT

The United States Immigration Services requires that the University of Hartford verifies the financial resources of all international student applicants. This form is for that purpose. You are required to certify that you will have funds available for the costs listed for one academic year (nine months).

For an I-20 Form to be issued you are required to complete and present this form (Original version) along with a Bank Letter or statement indicating that your sponsor/parent has funds equal to the amount stated with the cost of attendance budget for your year of attendance. If you will attend the university with the financial support of your government or company an official letter detailing your scholarship is also required.
